Dear Friends,

Thank you so much for your recent kind donation of £3133.59 which was raised through the craft fair and quiz and curry night in support of Tim Wake. We are sincerely grateful for the generosity and support of all who contributed.

Your gift will help us to improve care and support for people with MND, their families and carers, across England, Wales and Northern Ireland. It will also help us fund and promote research, and to campaign and raise awareness so the needs of those affected by the disease are addressed by wider society. Your kind donation could fund the installation and 6 months stairlift rental to give two people with MND greater independence

We are so determined to achieve our vision of a world free from MND and your support helps us to make a real difference. You can keep up to date with our work and stay involved with us by visiting our website www.mndassociation.org

Please note that if you have an online fundraising page, those donations will be acknowledged when your page closes.

Thank you once again for being part of our fight for a world free from MND. Please let us know if we can help you in any way, we will always be delighted to hear from you. Simply call 01604 611860 or email fundraising@mndassociation.org

Yours sincerely

Dear Holy Family Parish,

Thank you from Sarcoma UK

Thank you for your generous gift to Sarcoma UK; we are honoured to have your support. We gratefully received your kind donation of £747.30 on 31 October 2023, which is already making an impact on the lives of those affected by sarcoma.

Sarcoma UK offers a free Support Line, which is accessible to not only sarcoma patients, but also their friends, family, loved ones and healthcare professionals. Due to limited appointments and access to their specialist medical team, this service can be a lifeline for those affected and in need of practical advice and emotional support. Since 2016, our Support Line has received over 20,100 contacts by telephone, text and email from over 4,300 people, including Tracey, a sarcoma patient:

'Being diagnosed with a rare and basically unknown tumour the team were able to help me get the right team around me to move forward with treatment. Absolutely worth their weight in gold.' -
Tracey, Support Line user

Thanks to donations like yours, Tracey was able to access support and receive the correct sarcoma specific treatment. With your contribution, we can continue offering support to others like Tracey, who also need advice and guidance, or even just a listening ear.

Thank you again for choosing to support our charity, you are giving hope to everyone affected by the disease; we could not do this without you. Together, we can transform the lives of everyone affected by sarcoma.

On behalf of the entire team at Sarcoma UK, thank you.

Yours sincerely,

Richard Davidson
Chief Executive

Re: Donation.

Dear Sir/Madam,

I am writing to you to thank you for the incredibly generous donation we received from you. We are always grateful & humbled when our community comes together to support our work; we simply could not do what we do without the churches, businesses, community groups and individuals who choose to give to us. Every year we have around 140 people who are facing or experiencing homelessness, and we provide over 600 support sessions for our clients every year.

Thank you once again and please pass on our appreciation to your congregation.

Kind regards,

Andy.
